

Family Commitment

An Agreement of Purpose and Support

We, as the parent(s) of _____, do pledge our support of The Master's Academy in the education of our child. We recognize that the education of our child is a God-given responsibility. We pledge to assist the school as they aid us in our responsibility.

We have read and support the school's Statement of Faith and Philosophy of Christian Education.

We have read and agree to the terms and policies set forth in the Tuition and Fees Policy and agree to meet all financial responsibilities associated with our child's enrollment in a timely fashion.

We pledge to attend a local Bible believing church on a regular basis.

We pledge our loyalty to the goals and objectives of The Master's Academy. We promise to bring any questions and criticisms to the appropriate teacher privately. Should the matter need to go to the administration, we agree to meet with the teacher and administration to discuss the issue. When necessary, we agree to bring any issue concerning policy to the school board in written form to be put on the school board's monthly meeting agenda.

We pledge to support The Master's Academy attendance requirements at parent/teacher meetings, student conferences and school functions.

We pledge that if for any reason our child does not meet the academic requirements or cooperate with the disciplinary standards (including: dress, hygiene, care of school property, and conduct at or away from the school), we will withdraw our child without delay. However, we recognize that the school reserves the right to suspend, expel or otherwise discipline any student who fails to adhere to the standards set forth in the Parent/Student Handbook.

We understand that The Master's Academy is a non-profit ministry operating on the principle of faith. Tuition levels are designed to make Christian education available to as many people as possible. Therefore we pledge to support all fund raising activities and events to the best of our ability.

We pledge to consistently pray for the School Board, Administration, Teachers and Students of the school on a regular basis.

We have read the Family Commitment carefully and hereby agree to its terms:
